EDUCATION AND TRAINING

2013-present	Postdoctoral Fellow, University of Colorado Boulder Mentor: Dr. Steven F. Maier
2009-2013	Ph.D. in Neuroscience, Ohio State University Mentor: Dr. Randy J. Nelson
2004-2008	B.S. in Biology and Psychology, Syracuse University Mentor: Dr. Catherine Cornwell

RESEARCH SUPPORT

Ongoing

The role of HMGB1 in the development of late-life depression

Principal investigator: Laura K. Fonken

Agency: Brain & Behavior Research Foundation. Type: NARSAD. Period: 01/15/2016 – 01/14/2018

This project will explore the role of neuroinflammation in affective disorders with aging.

Completed

The role of the NLRP3 inflammasome in aging-associated cognitive impairments

Principal investigator: Laura K. Fonken, Mentor: Steven F. Maier

Agency: NIA. Type: F32. Period: 06/01/2014 – 05/31/2017

This study investigates mechanisms mediating heightened neuroinflammatory responses and associated memory impairments that occur in aged animals.

The effects of light at night on cardiac arrest outcome

Principal investigator: Laura K. Fonken, Mentor: Randy J. Nelson

Agency: AHA. Type: Pre-doctoral fellowship. Period: 7/11/2011 – 6/30/2013

This study investigated the role of environmental lighting on recovery following global and focal cerebral ischemia.

HIGHLIGHTED JOURNAL ARTICLES

1) **Fonken, L.K.**, Workman, J.L., Walton, J.C., Weil, Z.M., Morris, J.S., Haim, A., & Nelson, R.J. (2010). Light at night increases body mass by shifting the time of food intake. *Proceedings of the National Academy of Sciences*, 107 (43): 18664-18669.

- 2) **Fonken, L.K.**, Xu, X., Weil, Z.M., Chen, G., Sun, Q., Rajagopalan, S., & Nelson, R.J. (2011). Air pollution impairs cognition, provokes depressive-like behaviors, and alters hippocampal cytokine expression and morphology. *Molecular Psychiatry*. 16 (10): 987-995.

HONORS AND AWARDS

NARSAD Young Investigator grant, 2016 – 2018

NRSA Postdoctoral Fellowship, 2014 – 2017

Graduation Grant for Leadership in Service, 2013

Society for Behavioral Neuroendocrinology Young Investigator Award, 2012

Psychoneuroimmunology Research Society Travel Award, 2012

1st place Biological Sciences Oral Presentation, Hayes Graduate Research Forum, 2012

Honorable Mention for Poster Presentation, IBMR Research Day, 2012

OSUWMC Research Day Poster Award Winner, 2012
Neuroscience Graduate Studies Program Travel Award, 2012
American Heart Association Pre-doctoral Fellowship, 2011 – 2013
Honorable Mention for Oral Presentation, IBMR Research Day, 2011
International Society for Chronobiology Travel Grant for Students, 2010
Psychology Department Graduate Student Travel Award, 2010
3rd place Ohio State Neuroscience Signature Program Poster Day, 2010
Ohio State University Fellowship, 2009 – 2010
1st place Syracuse University Annual Undergraduate Poster Session, 2008
Syracuse University Biology Research Achievement and Academic Excellence Award, 2008
Syracuse University Allport Research Grant, Fall 2008
Syracuse University Allport Research Grant, Spring 2008
Syracuse University Trustees Scholarship Award, 2004 – 2008

INVITED TALKS

2017 University of California Riverside, School of Medicine
2017 University of Texas, Department of Pharmacology & Toxicology
2017 Duke University, Department of Psychology & Neuroscience
2017 McGill University, Centre for Research in Neuroscience
2016 University of Calgary, Hotchkiss Brain Institute
2016 Associated Professional Sleep Society Meeting, Symposium
2016 Colorado Sleep and Circadian Research Symposium
2014 Artificial Light at Night Meeting
2014 Associated Professional Sleep Society Meeting, Bench to Bedside Session
2014 Colorado Sleep and Circadian Research Symposium
2012 Society for Behavioral Neuroendocrinology, Young Investigator Symposium
2012 University of Colorado, Department of Psychology & Neuroscience, Maier Laboratory
2012 Duke University, Department of Psychology & Neuroscience, Bilbo Laboratory
2011 Ohio State University, Neuroscience Graduate Studies Program Retreat
2011 Ohio State University, Molecular Virology and Immunology Graduate Program

PROFESSIONAL MEMBERSHIPS

2008 – present	Phi Beta Kappa
2009 – present	The Society for Neuroscience
2009 – present	Society for Behavioral Neuroendocrinology
2010 – 2014	International Society for Chronobiology
2012 – present	Psychoneuroimmunology Research Society
2015 – present	Sleep Research Society

SERVICE AND OUTREACH

2017	NDSEG graduate fellowship reviewer
2017	Grant reviewer for Netherlands Organisation for Scientific Research
2016 – present	Organizer of University of Colorado Undergraduate Neuroscience Journal Club
2015 – present	Organizer of University of Colorado Neuroimmunology Journal Club
2015	Grant reviewer for Natural Environmental Research Council

2012 – 2013 President of Neuroscience Education for Urban and Rural Outreach
(NEURO), Ohio State Chapter
2012 & 2013 Brain Awareness Week Lead Student Organizer
2009 – 2013 Brain Awareness Week at Center for Science and Industry
2011 – 2013 Neuroscience Signature Program Poster Day, Student Organizing
Committee

MENTORED STUDENTS AND TECHNICIANS

Heather D'Angelo, 2015 – present

Renata Daniels, 2015 – present

Asni Solomon, 2016 – 2017

Emma Hampson, Summer 2016
Currently: Undergraduate at Bates University

Alyne Rosa Santana, Summer 2015
Currently: Graduate student at University of Sao Paulo

Meagan Kitt, 2013 – 2015
Currently: Graduate student at Case Western Reserve University

Rebecca Lieberman, 2012 – 2013
Currently: Medical student at University of Cincinnati-College of Medicine

Natalie Hood, 2010 - 2011
Currently: Medical student at University of Cincinnati-College of Medicine

Kristopher Gaier, 2012 - 2013
Currently: Medical student at Wright State University

O. Hecmarie Melendez-Fernandez, 2012
Currently: Graduate student at Northwestern University

Emily Kitsmiller, 2010 - 2011
Currently: Graduate student at University of Central Florida

Heather Michaels, 2010
Currently: Professional writer

Dan McCarthy, 2009 – 2010
Currently: Medical student at University of Toledo College of Medicine
